

Wynchemna Language and Learning Centre
Learn English in Western Canada!

The Road Trip Dates

Starting line: Calgary; finishing line: Vancouver
and of course there is a camping trip between the two cities
Total: 5 weeks or 4 weeks - Ages 15 to 23 years old

Two cities in one course. Arrive in Calgary, spend some time in Calgary before leaving for the camping through Alberta and British Columbia and arriving in Vancouver to spend sometime in Vancouver.

Wynchemna is an English as a Second Language Programme in Calgary and Vancouver – two very different cities, each offering something special for international students. Wynchemna’s philosophy is that people should enjoy acquiring a second language. We accomplish this through a unique combination of intensive classroom instruction and recreational activities in English while providing an unbelievable week long camping trip through the magnificent Rockies Mountains.
